

Section 751.4 - Medical director

751.4 Medical director. The operator shall appoint a medical director who:

- (a) is qualified by training, experience and administrative ability to assume responsibility for the position;
- (b) is delegated the authority and is responsible to the operator for the professional, organizational and administrative aspects of the adequacy and quality of care provided to patients in the center;
- (c) is a physician licensed by and currently registered with the New York State Education Department. In dental centers, the director shall be a dentist who is licensed by and currently registered with the New York State Education Department;
- (d) develops and recommends to the operator policies and procedures governing patient care in accordance with generally accepted standards of professional practice;
- (e) develops and recommends to the operator policies and procedures concerning the appointment of medical and dental staff, the assignment of their clinical privileges and reviews of such appointments; and
- (f) is responsible for the supervision of the quality assurance program and for reporting the activities of the program to the operator.
